Our Women's Ministry Team is growing. It is a group of volunteers (ALL AGES) who commit for a minimum of 1 year to pray and plan. The Women's Ministry Team is designed with specific direction to grow in Christ, to be encouraged and to connect with women of all ages at Northview through special events, Bible Study, fellowship, prayer, outreach, service and more.

The team will meet approximately 5 to 6 time per year to allow members to plan and serve in areas that use their giftedness to serve other women and the LORD.

Areas of Service:

Bible Study: Facilitators/Administrators

Special Events: Spring Bling, Autumn Extravaganza, Friendsy, Summer Sista, Secret Retreat, Chick Flicks, etc. (decorations, name tag/favors, registration, worship/music, publicity, food planning, etc)

Service: Prayer Team/Outreach/Mission Projects/Operation Christmas Child. etc

Please write briefly where you would enjoy serving on the Women's Ministry Team sharing your areas of interest and giftedness. Please turn this form into the info center, into the offering plate, bring by the office or email it to Andrea@NorthviewBaptist.com.

Thanks, I look forward to serving with you and will be in contact soon with our first meeting date.
